SUMMER 2025

Our summer camp empowers campers to develop independence, self-esteem and lifelong friendships.

The Boulevard Club's Diversity and Inclusion Statement:

“The Boulevard Club is committed to building a diverse and inclusive culture to ensure that everyone at the Club feels valued, respected and heard.”

MARIJKE SIEM-A-JOE
Camp Director

WELCOME TO CAMP BOULEVARD 2025

DECADES AGO we started a variety of Junior Sports programs, out of which came CAMP BOULEVARD. Our sports camps include Badminton, Sailing and Tennis, as well as Multi-Sport camps for those whose interests may be more varied. In the last few years, we've added specialty programs which have proven to be amongst our most popular.

While most programs for children focus on activities, our model for success is built around the process (Creative programs). Our staff is specially trained to nurture campers and help them grow and develop during the summer season, guiding them through the process of learning and mastering new skills, creating and maintaining positive peer friendships, and enjoying themselves indoors and outdoors.

Our counselors are chosen and trained to embrace the creativity and imagination of each camper to create an inventive and inclusive environment.

This brochure highlights our programs. We have provided the dates, times, and pricing of our camps, along with details of the early arrival, late pick-up, and lunch programs.

Our camp start date is on June 16th, 2025 and the end date is on August 29th, 2025.

Our website has lots of wonderful information about our programs, and we offer secure, online enrollment 24/7. www.campboulevard.com.

We are also here to answer any questions you have, so contact us at any time.

We look forward to welcoming you to another outstanding year of fun, diverse, dynamic and creative programming at Camp Boulevard!

Sincerely,
Marijke Siem-A-Joe

SAILING CAMPS FAQ & ADDITIONAL INFORMATION

Personal Floatation Device (PFD)/Life Jacket:

We ask that all participants bring their own Canadian Coast Guard-approved lifejacket. This is the best way to ensure proper fit and comfort. The Boulevard Club only provides PFD's when a participant loses or forgets theirs.

PFD fitting guide:

When fitting a life jacket, it is important to fit the jacket to the sailor. We do not recommend buying a life jacket in a larger size in the hopes that your sailor will grow into it in the future. A life jacket should fit snugly, with all the buckles, zippers and snaps done up, but still allow for layered clothing, room to breathe and freedom of movement. Try walking and sitting in it too. Your PFD is too big if you can pull it over your ears, and too small if you cannot fasten all buckles and straps. PFD must match the age and weight requirements of your child. These details can be found on the inside of the lifejacket, or on the sales tag.

Does registration include snacks?

Due to the structure of the camp day, snacks are only provided for the ICANSail Wet Feet Program. All other Learn to Sail program participants are encouraged to bring school-safe snacks and a water bottled to stay fuelled and hydrated.

Does The Boulevard Club have a lunch program? The lunch program is an option for all sailors in our program and is available at an extra cost. Please reach out to Camp Director Marijke Siem-A-Joe at camps@boulevardclub.com for details.

Can you place my child in the same class as their friend(s) or sibling(s)?

We do our best to honour requests of this nature but may not always be able to. Participant experience, safe practices and respecting the registration process come first. If you were unable to register participants together into one group and have a request to do so, please reach out to Camp Director Marijke Siem-A-Joe at camps@boulevardclub.com. She will consult with the Program Manager about all requests.

Can I request an alternative registration period for my child? i.e. a one-week rather than the two-week session?

We are unable to change the structure of the programs. The sessions are designed with the CANSail program requirements in mind and help to ensure that all children in the group are progressing at similar rate. Accommodations can only be granted with approval of the Yachting Director: yachtingdirector@boulevardclub.com
